

## Shoreline Preservation By-Law Update

The County of Haliburton has retained Hutchinson Environmental Sciences Ltd (HESL) and J.L. Richards & Associates Ltd. (JLR) to provide independent professional recommendations on a new Shoreline Preservation By-law for the County. This includes a review of the scientific literature related to shoreline preservation, an environmental scan of other municipalities and consultation to gauge residents and stakeholders opinion and feedback.

**MORE INFORMATION**

County website:  
[www.haliburtoncounty.ca/en/living-here/shoreline-preservation.aspx](http://www.haliburtoncounty.ca/en/living-here/shoreline-preservation.aspx)

[Shoreline \(tmlb.ca\)](#)

Please be advised of an upcoming virtual “open house”:  
**July 29 from 6-8pm via Zoom.**

The following link will provide you with information on how to participate:

<https://www.haliburtoncounty.ca/en/news/shoreline-preservation-by-law-virtual-open-house.aspx>

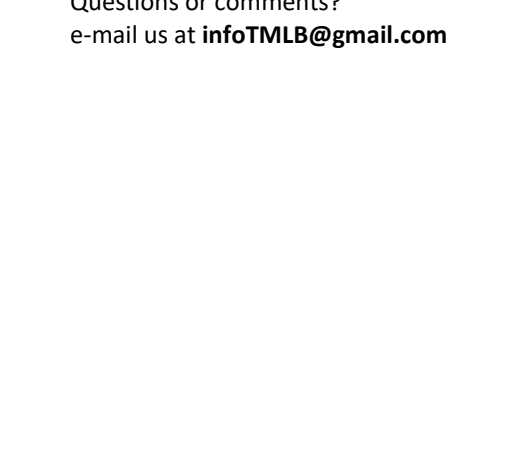

**If you are not able to attend the meeting**, you will have the opportunity to watch a recording of the meeting on the County’s YouTube Channel and submit your comments.

### Here are some ongoing and upcoming ways to support our community:

Proceeds are shared between this Haliburton County community radio station and other verified not-for-profit organizations in Haliburton County.

[Bingo – Canoe FM](#)

Proceeds support the purchase of priority medical equipment for the Minden and Haliburton hospital and medical facilities.

[Haliburton Highlands Health Service Foundation \(hhhsf5050.ca\)](#)

Twelve Mile  
Little Boshkung Lake Association
